

Community Partnerships

Dear Sponsor,

On behalf of everyone at Thames Valley Council for Community Action (TVCCA), I want to personally thank you for your generous support over the past year. Your partnership has played an important role in helping us provide programs and support to more than 25,000 individuals and families throughout Eastern Connecticut.

This past year marked an exciting new chapter for TVCCA as we expanded our fundraising and events program. We held our **first-ever Legacy Gala**, as well as the **second annual Copper Creek Mini Golf Tournament and Sound Waves Music Festival**. All three events were very successful, bringing together community members, businesses, and supporters while raising **more than \$50,000** for TVCCA's programs. The response from our sponsors and the community was incredibly encouraging.

Here's what's ahead in 2027

We are excited to build on that momentum in 2027. We will be bringing back all three events, including our the Gala, the Mini Golf Tournament, and the Music Festival. We are also expanding our event calendar with a **Golf Clinic and 9-Hole Tournament at Lake of Isles on April 14, 2027**, giving businesses and community members another opportunity to connect with TVCCA.

Your investment has helped make this growth possible. Through your support, TVCCA can continue strengthening programs that provide housing stability, early childhood education, food security, economic mobility, and other support to individuals and families throughout our region.

Your commitment reflects a shared dedication to building stronger, more resilient communities and expanding opportunities for individuals and families throughout Eastern Connecticut.

As we look ahead, we are introducing a more streamlined, year-round **Community Partner** model that provides opportunities for recognition, event participation, and community engagement throughout the year. This approach will allow us to build stronger relationships with our sponsors while creating more opportunities to connect businesses with TVCCA and the communities we reach.

We would be honored to continue our partnership and hope you will consider renewing your support in the coming year. As we expand both our fundraising efforts and the number of opportunities we can offer, we would also be grateful if you would consider increasing your level of support.

Enclosed are our updated sponsorship opportunities. Our team would welcome the opportunity to connect and explore how we can continue to work together in a way that aligns with your organization's goals.

Thank you again for your continued commitment to TVCCA. We truly value your partnership and look forward to what we can accomplish together in 2027.

All My Best,

Josh Kelly
Chief Executive Officer
Thames Valley Council for Community Action (TVCCA)
